

Hon'ble Prime Minister's Interaction with farmers

The hon'ble Prime Minister Shri Narendra Modi interacted with the farmers across the country on 20th June 2018 between 9.30 and 11.00 AM which was telecasted by the Doordarshan, DD Kisan and Aakashavaani as live programme. During this event, the Prime Minister briefed the agricultural scenario and developmental schemes, after which interacted with farmers gathered at different centres across the country. In this connection, ICAR-National Institute of Biotic Stress Management, Baronda, Raipur (CG) organized an event at Bangoli village to witness the live interaction of Prime Minister with delegate farmers from different states arranged by KVKs, SAUs, State departments and other institutions. The programme was attended by 50 farmers from Bangoli, Adsena and Baronda villages along with scientists and staff of ICAR-NIBSM. This interaction between the Prime Minister and farmers of various states was highly helpful for the participants to understand the current agricultural schemes being operated by the government of India.
